ZIPBOARD KEYBOARD & MOUSE PLATFORM

3600ZB: ZIPBOARD*

Grand Stands has added the ZIPBoard to our proprietary line of keyboard platforms. The patented design allows for left to right mousing by simply sliding the mouse surface from side to side.

Features

- ▶ Dimensions: 21" w x 11" d, 28" with mouse
- ▶ Mouse surface slides fully right to left and reverses while attached to the platform
- ▶ Mouse surface swivels to the rear for storage
- ▶ Retracts into 22" wide knee space
- ▶ Mouse tray has a magnet lock-will not move while in use
- ▶ 1/4" thick material allows for very low-profile design
- ▶ Memory foam palm rest attaches with soft velco

#3600ZB ZIPBoard **List Price \$212.00**

One rubber mouse trim included. A second is recommended for a wireless mouse.

3400ET4: LADYBUG PLATFORM & SLIDE-LOCK MOUSE TRAY

- ▶ 24" wide x 12" deep rear-curved platform (overall width with Mouse Tray is 30")
- ▶ ARC design allows elbows to stay closer to the body for ergonomic positioning
- ▶ Mousing surface is 1/4" above keyboard surface
- ▶ Ideal for corner applications
- ▶ Mouse tray adjusts without tools front to back and can be locked in place to provide maximum, rock-solid stability
- ▶ Comes standard with one Mouse Guard
- ▶ 7 3/4" wide mouse surface with Mouse Guard and microfilm mousing surface
- ▶ Memory foam palm rest attaches with soft velco

#3600ET4 **List Price \$186.00**

3400ET-10K: LADYBUG PLATFORM w/ FLEXMOUSE

21455 FLEXMOUSE

Universal mouse attachment allows for multiple positioning. Use mouse over 10-key, stores under the platform or use mouse surface at same height as keyboard.

- ▶ Injection molded tray
 - ▶ Movable mouse guard
- OPTION: MT MOUSE TRIM 10"**
- ▶ Add on for optical/cordless mice

#MT Mouse List **List Price \$10.00**
